

Hymnal Bookplates

After 20 years, St. Patrick is getting new hymnals! Our music ministry has decided on the 3rd edition of the Glory & Praise hymnal, which has all the old favorites plus some new songs. The new books are a fairly sizable investment, so we are offering parishioners a chance to share in the cost by purchasing a custom bookplate to honor a friend or family member. Your bookplate will be placed in the inside front cover of one of the new hymnals. Please drop this order form with your donation in the collection plate, or hand it to any choir member.
