

1. Go to <https://dallas.parishsoftfamilysuite.com/>
2. Click on “New User?”
3. Follow the instructions below

Connecting People and the Church

New User Registration Form

Step 1: Account Request

Organization Not in List? If your organization is not available in the dropdown, please contact your parish office.

Organization:*

User Name:*

Password: **A temporary password will be emailed to you** to confirm your account. Please monitor your spam folder. If you do not receive an email, please contact your parish office.

Click on the drop down arrow and go to the bottom of the list to choose “St. Patrick Parish - Denison”

Enter the username that you wish to use for ParishSoft. If the username is available it will tell you. If it is not available you will have to choose another one.

Step 2: Personal Information

This information is used to verify your identity in the database OR create a new family record.

First Name:*

Last Name:*

Nick Name:

Primary Phone:*

Birth Date:*

Postal Code:*

Address:*

City:

State/Region:

Country:

Enter your information here. Please note: Anything with a red * is a required field.

Step 3: Email Address

Why Multiple Email Addresses? People occasionally change email addresses. If you are in the family database, the additional email fields help us find or update your family record.

Current Email:*

Confirm Current:*

Prior Email:

Prior Email:

Enter your email address and then enter it again to confirm that it is correct

Click on the Submit Registration button when you are finished.

Once you click on “Submit Registration” the parish office will need to finish your registration and give you access. You will receive an email once this happens. If you don’t get a response from us in a timely manner, please contact us at parishoffice@saintpats.net.
