Once you have a schedule set up you will be brought back to this screen. There are a couple of things you can do here:

1. See the Schedules you have by click on "Schedule 1" or so on in the upper right hand corner of the screen.
2. If you do not want this schedule anymore or have made an error entering information, other than the card information, you will need to delete it and reenter it by click on the "Delete Schedule" icon of the one that is incorrect.
3. If you want to add additional giving opportunities, or schedules, click on "Click here to add an additional schedule" and enter the information as you did above.

If you want to see what you have given you will click on "My Account" and it will give you your giving history. You can also see this information via your parish portal.
